

SCALA TEKSTIL
TURIZM REKLAM GIDA TARIM URUNLERI
SAN. ve DISTIC. LTD. STI.

COMPANY PROFILE

- **SCALATEX** is a dynamic, young but experienced company and gives ready-made source and production chances for foreign clothes companies in Turkey.

- **SCALATEX** is one of the best and securest ready-made producers in İstanbul / Turkey since 2000 when it was founded with its knitted production capacity. Factory is located on an area of 4.000m². Factory's production is half-integrated to 15 million Euro endorsement with a monthly capacity of 400-450 thousand items and 80% of products are manufactured in the factory. We work with sub-contractors for the rest.

- **SCALATEX** protects its competition power in the market by offering high quality services and products. Our politics is first to understand our customers correctly and produce trial products to meet their expectations perfectly.

- We take “guaranteed customer satisfaction” principle as the basis in all our operations.
- We offer you quality products in our factory and help you with safe and cost efficient results.
- If your products are already being produced in Turkey, we can inspect works for you and guarantee the quality of service.

- We export 30% of our products to Germany, 10% to Italy, 10% to France, 40% to England and the rest of 10% to countries like Denmark, Britain, Sweden etc ... Our market share continuously increases as a result of quality service and products. We work with leading brands of the world.

- We have worked through agencies with many customers in the recent times. But we recognized that direct relationships with customers gained us important benefits. We experienced price decreases, easiness in communication and fast information transition with direct relationship with customers. These experiences returned us with a better customer satisfaction, correct timing, speed and price in summary

- We are offering best service within quicker delivery with the team over 300 workers, which experienced in their own profession as cutting, sewing, finishing, packing, trimming, linking, mending, metal detection.
